

WINCHESTER
CATHEDRAL

Business Partnerships

At the heart of Hampshire, Winchester Cathedral draws visitors to the city and region each year, benefitting local businesses and supporting the economy. Launched in 2023, the Partnership Programme is a community of energetic businesses, from a variety of sectors. Support from these partners helps the cathedral meet the areas of greatest need to ensure that communities within the city and regionally can come together for worship, culture, learning, and entertainment.

Introducing Clare
Winchester Cathedral
Corporate Partnership Manager

Partnership begins with an introduction. I will take you on a tour of the cathedral and the estate. This is an opportunity for me to learn more about your business, your team, and your customers, and how we could work together to raise the profile of your business.

"Stagecoach were thrilled at the chance to work with the Cathedral as travel partner. Winchester Cathedral has so many events throughout the year that appeal to a wide audience it made sense to link up and promote the destination to our passengers."

"Clare and the team have been so helpful when we've been organising our promotional filming within the Cathedral and the Christmas market. They helped to make the process so easy. It was great to have them with us as we filmed and as a contact leading up to the filming dates too. Thank you!"

In December, the business partners and their special guests were invited by Very Rev. Dean Catherine to the deanery for a drinks reception prior to taking their reserved seats at the carol service. It was wonderful to personally thank our partners for their support and provide a VIP experience.

"A huge thank you for inviting us all last night to the reception and carol service. The choir was extraordinary, and the music and service truly reflected the beauty and wonder of the season."

To ensure high visibility and meaningful engagement, we only announce one partner in a month, and our partners come from a wide range of business sectors.

“Dear Clare, thank you so much for arranging our team Tower Tour yesterday afternoon. We all thoroughly enjoyed it and will certainly be recommending it to our clients, friends, and families. Matt and Tony (guides) were so knowledgeable, we learnt a great deal from them, and it was wonderful looking down over Winchester as the light faded and the lights of the city came on. A real treat.”

Event sponsorship

As a sponsor, your business will engage with all participants, be profiled on related social media posts and seen by e-newsletter readers and event webpage users where tickets are booked. During the Festival of the Moon event, the cathedral averaged over a thousand visitors daily in addition to hundreds who attended associated events and family workshops. By registering your interest early, we ensure your brand is included in all elements of the marketing campaign including on-site signage, print and press releases.

"It was a delight to join colleagues of Paris Smith LLP and entertain guests at the Festival of the Moon at Winchester Cathedral. A stunning setting with a magnificent model of the moon suspended above the nave. It is just one of the benefits of being a business partner of the Cathedral. A relationship that aligns perfectly with the purpose of Paris Smith and creates win win outcomes."

Peter Taylor, Senior Partner at Paris Smith LLP
