

# IN-MEMORY GIVING

An in-memory gift can be the perfect way to recognise and continue the connection of a loved one to the Cathedral. Gifts can be made as a one-off donation, or as a regular gift to mark a special anniversary or birthday.

If you are considering making an in-memory gift, please contact us in confidence so that we can make sure your tribute is appropriately recorded and recognised.

## GIVING A GIFT TO REMEMBER

Making or updating your Will can set your mind at rest and ensure your assets go to the people and causes closest to your heart. It can make life easier for those you leave behind and prevent your estate being divided up by the courts. We always recommend discussing with your family and seeking professional legal advice when drawing up or amending a Will.

If you decide to remember Winchester Cathedral in your Will, all you need to do is:

- Instruct your solicitor or legal professional to include provision for Winchester Cathedral or if you already have a Will, arrange for a codicil to be drawn up.
- Decide what form you wish your gift to take, such as:
- A residuary legacy: the whole or a percentage of your estate after other bequests and liabilities have been met.
- A pecuniary legacy: a specific sum, noting that the value will decrease over time.
- A specific legacy: such as property, stocks and shares, artwork or valuables.

*We request that you discuss specific gifts with us in advance if possible*

Bequests should be made to **Winchester Cathedral**

**Winchester Cathedral is a registered charity no 1202915**

It is registered with the Charity Commission of England and Wales under the name of The Cathedral Church of the Holy Trinity, St Peter & St Paul and of St Swithun in Winchester.

WINCHESTER  
CATHEDRAL

## A GIFT FOR FUTURE GENERATIONS

Legacy and In Memory giving

We are the temporary custodians of the timeless and sacred heritage of Winchester Cathedral and its estate.

This is a place of intersection and meeting between the past and the future, between the sacred and secular. We find in this uniquely wonderful place, as priest and poet George Herbert writes, 'Heaven in ordinarie.'

The cathedral has an ambitious and comprehensive Masterplan setting out the conservation challenge before us. We have this priceless heritage to pass to future generations because dedicated people, over centuries, have cared for its life and well-being. It is our privilege to invite you to join this company of faithful people as we seek your support in helping the life and work of the cathedral to continue.

We are committed to caring for this stunning and precious place so that everyone who comes here, for whatever reason, can vividly experience the richness of Christian heritage and the joy of shared community. We want to express publicly the importance of faith, hope and love in our modern world. We seek to be a place of reconciliation and forgiveness and a place where ancient crafts continue and where the most beautiful choral music resounds. In our present day we seek to offer something distinctive and life-enhancing – a vision that inspires people in their own lives.

Whatever your reasons for cherishing Winchester Cathedral and its life and work, your support is of great importance, and will be hugely valued.

Thank you for your interest in leaving a lasting gift to Winchester Cathedral.

The Very Reverend Catherine Ogle,  
Dean of Winchester

## YOUR GIFT WILL HELP PRESERVE THE CATHEDRAL FOR FUTURE GENERATIONS

Legacies have, for generations, played an important role in supporting the daily life of the cathedral. In recent years gifts in wills have helped conserve the Winchester Bible, restore the cathedral organ, repair the precious medieval stained glass and stonework and support the choral foundation.

Priorities and needs change over time, and you can be assured a legacy bequest will be used where the need is greatest at the time of receiving your gift. It could help fund the ongoing restoration of the cathedral and the historic buildings on the estate, protect and conserve precious artefacts or support the cathedral's world-class music. It could help deliver pastoral care to the community, progress mission and ministry or enable young people to experience all that the cathedral has to offer. Above all you will be supporting Winchester Cathedral's daily life and playing a valuable role in ensuring the cathedral remains a vibrant place of worship, pilgrimage and living heritage.

However large or small, your bequest will be used where it will have the most impact.

If you have a specific wish for how your legacy is used, please discuss this with us so we can ensure that your wishes are met.
