THE DEAN WRITES. . .

Deo gratias

It’s time now to celebrate. For much of the last decade the Cathedral life and ministry has taken place alongside the enormous work of the capital projects. Cathedral volunteers, staff, clergy, supporters, contractors and Chapter have been busy with the great ambitions of conserving and developing the cathedral buildings, transforming the visitor experience, giving better access to treasures and invigorating our ministry. Endorsed by a £10.5million HLF grant great energies have focussed on fund-raising, planning, working - and working around the works – for a considerable time.

Now we see the outcomes of this work and there is so much to celebrate. The opening of the beautiful South Transept with the innovative Kings and Scribes exhibitions has been a great milestone following on from the new Learning Centre, the restored roof, presbytery ceiling and roof bosses, the conserved clerestory windows and cleaning of the great Screen and the new sound system. Each one is a considerable achievement. Together they are a resounding vote of confidence in the future of the Cathedral and the life of faith expressed and nurtured here.

You are now cordially invited to come to an Afternoon Tea and Service of Celebration on Friday 11 October. We are greatly honoured that The Earl of Wessex, the Royal Patron of the Winchester Cathedral capital appeal, will be visiting the new exhibitions and attending the Service of Celebration.

The Earl of Wessex has demonstrated a keen interest in the work of the Appeal. We are looking forward to showing him the exhibitions which marvellously identify Winchester’s royal associations with the House of Wessex and the birth of our nation. I do hope that you will be able to join the celebration on Friday 11 October. You’ll understand that we need the events to be ‘admission by ticket’. Please see the information box for more details.

As we give thanks, and celebrate all that has been achieved in these last years, we can look forward with faith and hope. The work of builders and craftsmen over the centuries stands firm and the faith taught here for over a millennium will guide us into the future.

Thanks be to God!

Dean Catherine

St John’s account of the feeding of the five thousand ends with a remarkable detail: after the throng is fed by the five loaves and two fishes blessed by Jesus, the disciples gather up twelve basketful of bread. This is a sign of God’s generosity to his people, the twelve tribes of Israel, and of the efficacy of his blessing.

A lovely contemporary sign of God’s blessing in abundance came unexpectedly last month. A visiting lunchtime concert performer came to hear that we were trying to dispose of the display cabinet formerly housing the Winchester Bible and asked whether his church could have it. They are in possession of a recently restored cope by the architect and designer Sir Ninian Comper, which as you can see fits perfectly in the cabinet at its new home, the church of St John the Evangelist, Upper Norwood, where Comper once worshipped (image top right).

We are so delighted that a piece of precision engineering, which served us so well but which seemed destined for the skip, could find another purpose in showing off Comper’s beautiful workmanship for many years to come. It is a sign that blessings can be multiplied when we are open to recycling things we might otherwise discard.

Another recycled item worth celebrating is the giant bee that will appear this month over the west porch of the Cathedral, which was the brainchild of the Dean as we dreamed dreams about the Green Hampshire Harvest Weekend (5 and 6 Oct). It has proved rather harder to realise in real life than one might imagine, despite the eagerness of the Winchester School of Art to adopt this project. For example, the news that a mild steel frame couldn’t be made to hold everything together was solved brilliantly and ecologically by the use of willow instead. The bee is covered by recycled plastic bottle artwork by young people from the National Citizens Service who attended the School’s summer workshops.

The bee has been funded by Winchester City Council – a sign of their commitment to recycling – and it continues a theme we have been following since the summer, when children from many of the primary schools of the Diocese came together for their Leavers’ Service.

The Education Department of the Diocese, which has for a considerable time been promoting ecological awareness, this year encouraged each of its schools to plant one square metre of pollinating plants to help bees and other insects. Many of the schools chose to plant their patch in the Cathedral grounds when they came for their service, with the help of our gardening team.

God multiplying through our sharing is something we can notice in all walks of life: Dr Sue Anderson-Faithful is coming to talk at 7pm on Thursday 10 October in the Wessex Centre about Mary Sumner, founder of the Mothers’ Union. Who would have thought that one woman’s desire to help mothers to uphold Christian family life could grow into today’s worldwide movement of four million strong? The speaker promises to make connections between Sumner’s ministry and the various places she lived.

Canon Roly
CANON ANDY TRENIER Writes...

Since arriving in The Close just a couple of weeks ago our family have received a lovely warm welcome, which has certainly helped our young boys feel settled into their new home and excited about the future. Their feelings are a mirror of my own so thank you to everyone we’ve met so far for your kindness.

I have been reading a lot about the Cathedral and its history, including the diaries of some of the clergy over the centuries. Whilst the finance and fabric remain a constant feature, each generation appears to have a very particular challenge to meet in respect of its ministry and mission within the city, county, and Diocese of its time.

What that is for us remains, for me at least, to be seen.

As Bonhoeffer said, “the first service one owes to others in the fellowship consists in listening to them”. With that in mind I am looking forward to learning about the rhythms of life and patterns of worship here and to listening to all of you about your experience of Cathedral life and worship.

A NEW Dean for stavanger

We hold them both and their communities in our prayers at the beginning of this ministry and as Partners in Mission.

ANDREW LUMSDEN ON MUSIC IN OCTOBER

This month, we welcome choirs from around the local RSCM Area as we join together for Evensong (5th). The Hampshire Harvest Service (6th pm) will include the famous opening chorus from Josef Haydn’s Creation when ‘the light’ gets switched on! Philip Moore’s setting of All wisdom cometh from the Lord (13th pm) has become one the most popular anthems composed in recent years and is on many Cathedrals’ music list. Towards the end of the month we will singing works either wholly or partly commissioned by the Cathedral. The Girl Choristers and Lay Clerks sing Jonathan Harvey’s (20th pm), a hugely powerful anthem which stretches the vocal range of both the top and tenor lines. At the last service of the month, we will be singing a new setting of the Evening Canticles by James MacMillan, commissioned by the Cathedral Organists’ Association in his 60th birthday year.
At 6.15am on 3 August a group of pilgrims accompanied by Dean Catherine left Winchester by coach to journey to Fleury to join the Abbot and Brothers in their Ecumenical Festival service on the eve of the Feast of the Transfiguration. Due to delays in disembarkation from the ferry at Caen and a couple of unexpected diversions on the part of our driver we arrived 3 hours late at 11.00 pm to be greeted by Susan and Brian Rees and Reg Fletcher with welcome food and drink and the keys to our rooms.

On Sunday morning, suitably refreshed, we attended the Parish Mass. Two of our group were invited to deliver the elements to the High Altar and a reading was given by Canon Brian Rees. After lunch, in the shaded garden of the Abbey there was an exchange of gifts. Dean Catherine presented the Abbot with a large 3 wicked candle beautifully inscribed by Custos with the names of Fleury and Winchester in gold and between them the Ship of Faith in blue. Later in the afternoon we met Brothers Tanguy and Theophil and learned about the life of a modern monk.

The following day at the Ecumenical service on the eve of the Feast of the Transfiguration it was a joy to see Dean Catherine robed and escorted by the Abbot who is an Honorary Canon of Winchester Cathedral. On their entrance to the Choir they passed by our Candle, lit and standing by the Icon of the Transfiguration. During the service there were prayers and readings by Dean Catherine, Canon Richard Lindley, Canon Philip Morgan and Sheila Redstone. The evening was completed by a drinks reception in the garden.

Monday had been a tightly packed day with a tour of the Basilica from tower to crypt by our friend Brother Joseph, a visit to Orleans and a short stop on our return journey to view the beautiful mosaic in the Oratory of Germigny des Prés.

On Tuesday morning we had to say a reluctant goodbye and were sent on our way with farewells from the monks and a prayer from our Dean for a safe journey home. There was a message from Brother Joseph when we arrived back in Winchester who wrote of their joy at our visit and how much Winchester means to them - which expresses exactly our feelings when we remember them every evening during Evensong saying “God Bless Fleury”.

**Lynne Sharpe**

“Our visit to Fleury was an incredible opportunity; I had the chance to see a completely different side of France. I adored attending the services and meeting and talking to the Brothers who were all so lovely and interesting to hear from. Even though I was the youngest in the group I was never made to feel out of place and was accepted in with open arms. It is truly an experience I shall never forget.”

I am writing to introduce myself as your Cathedral’s new Safeguarding Manager. It has been lovely to meet so many of you face to face and find out more about the variety of valuable roles you play in safeguarding the Cathedral so that it can continue to thrive.

Having worked in education for 15 years, across the whole primary age range, I have experience of working with families in areas of high deprivation as a teacher, Deputy Head and most recently was seconded by Hampshire Local Authority as an interim Headteacher. A key area of responsibility included acting as the school Designated Safeguarding Lead, working and supporting potentially vulnerable families in partnership with outside agencies. From this, I am acutely aware of the types of abuse and challenges faced by both children and their families and how to best support them.

My current role provides an exciting opportunity to further build and apply my safeguarding knowledge and skills within a Cathedral context. As Safeguarding Manager, I lead the development and implementation of safeguarding knowledge, policy and practice within Winchester Cathedral; provide timely and effective advice and support in respect of concerns arising about the protection of adults, young people and children at risk within the Cathedral and aim to further develop training opportunities for all.

I am looking forward to working in partnership with the Dean, Chapter and the whole Cathedral community to promote best safeguarding practice in a unique community of worship, witness and welcome.
